Deadline for Stefan Heym Sponsorship extended

Applications can be submitted until 30th June 2017

The deadline for the Stefan Heym Sponsorships, for which the application was opened for the first time last autumn, will be extended until 30th June 2017. In the past few weeks, interested parties have asked questions about the application process and the possibilities for funding. The extension of the deadline is intended to give further interested parties the opportunity to specify their ideas and projects and to submit the application for funding. Decisions on sponsorship will be made by the City of Chemnitz International Stefan Heym Prize Award Committee.

The sponsorships have a total value of 20,000 euros and are awarded in the form of grants alongside the International Stefan Heym Prize to fund school and university-level projects and initiatives with a particular focus on research on the life and work of Stefan Heym, and on keeping his legacy alive.

All legal and natural persons, initiatives, institutions, public and private bodies and associations are eligible to apply for sponsorship. The projects and initiatives selected are to be completed in the period between the awarding of one International Stefan Heym Prize and the next. Applicants for sponsorship must submit a description of the project to be supported (max. two A4 sides) and a statement of costs.
